FOR IMMEDIATE RELEASE

## **Peter B. Schuna Appointed Co-Chair of Minnesota e-Health Advisory Committee**

**LAKE ELMO, Minn., June 13, 2019**—**Pathway Health**, a leading post-acute consulting services, strategic technology implementation, and education services firm, is pleased to announce that **Peter B. Schuna**, President and Chief Executive Officer of Pathway Health, has been appointed by **Commissioner Jan K. Malcolm, Minnesota Department of Health**, to serve as **Co-Chair of the Minnesota e-Health Advisory Committee**, beginning July 1, 2019 for a two-year term. Mr. Schuna will join Dr. Sonja Short, current e-Health Advisory Committee Co-Chair, and work with committee members to set the agenda for how Minnesota will approach the integration of effective health information technology into the future.

“I am honored to help guide the committee to achieve Minnesota’s e-Health vision that ‘All communities and individuals benefit from and are empowered by information and technology that advances health equity and supports health and well-being,’” said **Peter B. Schuna**.

The **Minnesota e-Health Advisory Committee** was established in 2004 under Minnesota Statute. Committee membership is composed of members representing a broad spectrum of health care stakeholders throughout Minnesota, who are appointed by the Commissioner of Health. The Advisory Committee advises on policy and has convened workgroups to develop and implement a statewide plan for meeting Minnesota's 2015 Interoperable Electronic Health Record Mandate.
