

## JOIN OUR TEAM AS A CONSULTANT

Pathway Health is an independently owned professional management and consulting organization serving clients in the long-term care and post-acute care industry. Since our founding in 1997, we have been keeping a pulse on clinical, regulatory, quality, and reimbursement trends to keep our clients on the path to success.

### Why Choose Pathway Health.

- Discover a flexible and unique working experience
- Work with leading post-acute organizations
- Access tools, ongoing education and training, and up-to-date resources
- Receive subject matter expert and administrative support while on assignment 24/7

### Your Career, Your Choice.

- Choose from projects that are matched to your specific skill set and abilities
- Accept assignments that align with your needs and goals
- As a Consultant, provide hands-on mentoring and training, education, and custom consultation support
- As an Interim Professional, fill interim management positions such as DON, MDS Coordinator, and NHA

### What it Takes to Succeed.

- 3-5 years of experience in postacute care as a DON, NHA, MDS Coordinator, or Nurse Consultant
- Ready to travel and meet new people
- Capable problem solver with critical thinking and assessment skills to influence change and provide solutions
- Enthusiasm for conquering challenging situations
