Services Customized for Your Members

Pathway is honored to partner with provider associations on a national and state level.

Training Options – We offer numerous training options –classroom, onsite, and virtual - to support your members in keeping up to date with the latest leadership, clinical, operational, quality, regulatory, and reimbursement information. We offer full day, ½ day and customized options for your members. Our goal is to meet your members’ training needs, wherever and whenever they need it most. Most of our education and classroom trainings offer CEs to support the ongoing licensure requirements of your clinical team.

Certification and Advanced Courses – Pathway offers a many certification courses including: AAPACN, Restorative Nursing, Positive Approach to Care®, Frailty and INTERACT® certification courses. Pathway also offers Geri-Res® which is a nurse residency program designed for long term care, assisted living and home health nurses new to the industry.

Products and Resources – Pathway has designed a full compliment of clinical and operation manuals, toolkits, QuickPATH® streamlined leadership resources, clinical and regulatory resources, and tools to keep your members navigate the changes impacting their organizations. These are available in print, downloadable or customizable options. Pathway will work with you on an approach that make these valuable resources available to your members.

Our team of education experts provides presentations for Association conferences, in-person member trainings, and webinars. Click Here for a listing of the topics and descriptions of our most popular offerings.

Since 1997, Pathway Health has been keeping a pulse on industry clinical, regulatory, quality, and reimbursement trends to keep clients on the path to success. With over 150 experienced professionals, we engage and employ leading clinical and operational experts to assist our clients in achieving the next level of performance.
